

Dear Beaver Lake Parents,

I want to take this opportunity to thank all of you for volunteering at various PTSA and school activities. It is your involvement day in and day out that help make Beaver Lake a vibrant community. You are all very much appreciated!

One of the areas of opportunity to help support our school, staff and students is the employee volunteer hours matching program. Many of our volunteers work for companies that gladly contribute millions every year to ensure their employees remain engaged in the communities. For example, Microsoft donates \$25 per hour for their employees' volunteer time. Several more examples can be found below. In order for Beaver Lake MS to receive matching funds for volunteer hours, employees who donated time need to submit a request for matching funds in the company's internal online system.

For Beaver Lake, please use the following information when requesting matching fund for volunteer hours:

Beaver Lake Middle School PTSA
25025 SE 32nd St
Issaquah, WA 98029
EIN (tax ID) # 91-1642275

Thanks again and we look forward to a fantastic year at Beaver Lake Middle School!

Julia Yu
Matching Funds Chair
